

Southern Adelaide and Fleurieu Secondary Schools Alliance

Dear Principal

We are pleased to provide you with copies of the 2021 VET Programs brochure outlining the range of VET programs available to your students, which are run through the Southern Adelaide and Fleurieu Secondary Schools Alliance (SAFSSA).

The Department for Education (DfE) schools across Southern Adelaide and Fleurieu have for many years worked together to provide VET opportunities to their students. This has resulted in many young people being successful in their SACE completion and supported students to enter further vocational education training pathways through apprenticeships, further training or university pathways.

If you have students interested in any of these courses, please visit the website www.safssa.sa.edu.au to access full course details, including start dates, competencies, pre-requisites and training costs. The Host School contact is also listed if you have any specific course queries.

Administration Fee

In addition to the course cost, an administration fee of \$50 will apply for schools who are not part of the SAFSSA. This fee is to cover the cost of managing VET programs for non SAFSSA schools. One invoice for administration fees covering all of your students enrolled in all SAFSSA courses will be sent mid-term 1 of 2021.

The SAFSSA Application Form can be accessed from the website above and emailed directly to Thomas Nowak at thomas.nowak4@schools.sa.edu.au or phone 8329 9718 for general enquiries.

Thomas is available Monday – Friday 8:00am – 4:00pm

Kind regards.

Thomas Nowak

Office Manager, Southern Adelaide & Fleurieu Secondary School Alliance
